Dear Mary, Bob,

I am aware of and approve the Town of Trumbull Park Rangers monitoring field usage after hours and weekends to enforce permits and scheduling regulations.

It is my understanding that this procedure will not impact our current security staff employed by the Board of Education.

Thank you,

Ralph

> Hi Joan,

>
> My name is Ben Walsh, I run the concession stands at Beach's and Tashua pools. Casey Durand, (the pool supervisor) and I would like to get on the agenda for the Monday July 11 Parks Board meeting. Our topic is requesting covered trash cans (instead of the current un-covered ones) in Beach's park to help alleviate the terrible bee problem that has existed the past few years. Let me know if there is anything else I need to do to get and the agenda. I imagine our topic will be brief.
