Regular Reports/Project Updates

1. IWWC Review – IWWC agenda was reviewed. No support data was filed in the Conservation Commission box for review. Mr. Parsons will contact the secretary for any drawings and review them.
2. Courtyard Rehabilitation Oversight – Mrs. Parsons reviewed the plan and the list of plants. She noted the materials, supplied by the Nature Center, will be delivered in the morning. Many people have signed up to help. Mrs. Parsons complimented Mrs. Lemay for the great job in putting this project together.
3. Trumbull Day Exhibit – It was noted that additional people are needed to work at the booth.
4. Old Mine Park Phase II Grant Award – Mr. Watson noted the town received \$42,000 from DEP for the project. However, the grant needs to be spent by August 30 and was lost because the town cannot provide the manpower to do the work by that date. He had no further information.
