The bids were originally due by 3:00 p.m. on July 6, 2009, but because of the Fourth of July holiday weekend the date was changed to July 13, 2009.

The bids will be open by a Town official and the contractor's may stay for the opening if they choose too.

The Commission will then look through the bids and select the three lowest most qualified bidders.

The commission will discuss who they feel out of the three bidders that they chose is most qualified to complete this job.

Any new business which might rightly come before this committee
