---

This Addendum shall be part of the Contract Documents and modifies the original bidding documents. This Addendum is to be acknowledged by the bidders on the Bid Form. Failure to do so may subject the bidder to disqualification. **The bid due date remains July 15, 2014.**

---

*It is the responsibility of the General Contractor to coordinate this work with all affected subcontractors. All parts and materials shall be included to complete the work and to properly integrate with adjacent work or existing conditions.*

## Clarifications to Scope:

- 1) **Demolition**
  - a.) Demolition and removal of existing building will be completed by the Owner with the exception of the concrete slab, foundations and footings which will be removed by the General Contractor.
- 2) **Footing / Foundation Excavation**
  - b.) Rough excavation for the Footings / Foundation will be completed by the Owner. The General Contractor shall be responsible for final excavation to properly set bottom of footing elevation and for all formwork.

## Crarifications to Schedule:

- 1) **Construction Start Date**
  - a.) On-site construction must begin within one week after September 1, 2014. All pre-construction activities including but not limited to the shop drawing / submittal review process must be completed in advance as required to begin on-site work per the above date.
- 2) **Phasing**
  - b.) Phasing the construction of this project is not required. Once the construction has started, the intent is for all work to proceed uninterrupted and be completed per the schedule provided by the General Contractor and approved by the Owner.
