

**TOWN OF TRUMBULL, WATER POLLUTION CONTROL AUTHORITY
REQUEST FOR QUALIFICATIONS AND PROPOSAL FOR
ON CALL WPCA PUMP STATION/FORCEMAN IMPROVEMENTS – EQUIPMENT, MATERIALS AND
PERSONNEL**

BID # 6151

DUE: October 22, 2015 @ 2:00 PM

ADDENDUM #1
Amended 10/15/15

This addendum is issued for clarification purposes:

- 1) In recognition of the various disciplines involved with Pump Station and Forcemain components repairs, vendors are not required to submit proposals based on the ability to repair all items within the Pump Station or forcemain. Vendors will be ranked based on their ability to repair or improve various components within their expertise.

Please fill out section on page 6 of 9 indicating your area of expertise.

- 2) Scope of work may also include repairs and/or improvements related to individual ejector grinder pumps under the jurisdiction of the Town of Trumbull.
