

TOWN OF TRUMBULL, CONNECTICUT  
PARKS AND RECREATION DEPARTMENT  
REQUEST FOR PROPOSAL  
DESIGN BUILD PACKAGE TO COMPLETE A PLAYGROUND  
AT ITS INDIAN LEDGE PARK FACILITY

BID 6186 DUE: June 8, 2016 @ 2:00PM

GENERAL INSTRUCTIONS

The Town of Trumbull, Connecticut (hereinafter referred to as Town), through the Office of the Purchasing Agent, will accept sealed bids from qualified firms (hereinafter referred to as vendor, contractor, bidder) for the Complete Design Build Package Installation for a Playground at Indian ledge Park Facility in accordance with the attached specifications and scope of work.

This 8,000 sq.ft destination playground environment should incorporate the latest in playground design philosophy providing social, physical and creative play opportunities for children ranging from age two (2) thru twelve (12) years of age with significant portions of the environment being accessible and most importantly engaging to all children regardless of physical abilities or needs.

The new playground equipment shall be sourced solely from an IPEMA certified company and be in compliance with all current ADA and ASTM/CPSC guidelines for playground safety.

This project will represent one of the Town of Trumbull's premiere playgrounds and as such creativity, attentiveness to design detail as well as its placement within the natural surroundings will all play an important part in the final selection.

This RFP is not a contract offer, and no contract exists until a written contract is signed by the Town and the successful proposer.

**NOTE: A MANDATORY PRE BID MEETING AND WALK-THROUGH WILL TAKE PLACE ON Wednesday MAY 25, 2016 AT 10 AM AT Indian ledge park facility located off Whitney Avenue on Indian Ledge Park Rd, TRUMBULL, CT 06611.**

- b. Additionally, after proposals are received, the Town reserves the right to communicate with any or all of the bidders to clarify the provisions of Proposals. The Town further reserves the right to request additional information from any bidder at any time after proposals are opened.
- c. It is the sole responsibility of the responding firm to verify any addendums that may have been issued relating to this request prior to submission of a proposal. Failure to submit a bid or proposal that does not address any changes or addendums may result in a disqualification of a bid submission.

7. **AWARD AND AUTHORITY**

The Town Purchasing Agent will issue notification of award in writing along with a Standard Contract agreement. Then Town purchasing Agent will issue a Purchase order.

The Award will be based on Best Quality & value with the base bid and with or without Alternates.

8. **PRICING**

- a. Bidders are requested to quote as a complete Design build package to complete the Playground at the Indian Ledge Park Facility.
- b. All prices quoted are to be firm for a period of at least 120 days following bid opening.
- c. Special Consideration will be given to responses with extended firm price dates. The Town is always interested in any and all cost reduction opportunities.
- d. Special consideration may be granted to bidders with expedited installation dates.

9. **PROPOSAL, BID BOND, PERFORMANCE AND PAYMENT BONDS**

- a) A Bid Bond payable to the Owner must accompany each Proposal for ten (10%) percent of the total amount of the Proposal. As soon as the Proposal prices have been compared, the Owner will return the bonds of all except the three lowest responsible Proposals. When the Agreement is executed, the bonds of the two remaining unsuccessful Proposers will be returned. The Bid Bond of the successful Proposer will be retained until the Payment Bond and Performance Bond have been executed and approved, after which it will be returned. A certified check may be used in lieu of a Bid Bond.
- b) A Performance Bond and a Payment Bond, each in the amount of 100 percent (100%) of the Contract Price, with a corporate surety approved by the Owner, will be required for the faithful performance of the contract. Attorneys-in-fact who sign the Bid Bonds or Payment Bonds and Performance Bonds must file with each bond, a certified and effective dated copy of their power of attorney.
- c) The party to whom the contract is awarded will be required to execute the Agreement and obtain the Performance Bond and Payment Bond within ten (10) calendar days from the date when Notice of Award is delivered to the Proposer. The Notice of Award shall be accompanied by the necessary Agreement and Bond forms. In case of failure of the Proposer to execute the Agreement, the Owner may, at his option, consider the Proposer in default, in which case the Bid Bond accompanying the proposal shall become the property of the Owner.
- d) The Owner, upon receipt of acceptable Performance Bond, Payment Bond and Agreement signed by the Contractor, shall sign the Agreement and return to the Contractor an executed duplicate of the Agreement within a reasonable period of time. The returned executed Agreement by the Owner to the Contractor shall be accompanied with a Notice to Proceed.

NOTE: Failure to provide a Bid Bond or equivalent security is not cause for a waiver defect. Any bid not Accompanied by such security will be excluded from consideration.

10. **ASSIGNMENT OF RIGHTS, TITLES, AND INTERESTS**

Any assignment or subcontracting by a bidder, vendor, or contractor for work to be performed, or goods and/or services to be provided, in whole or in part, and any other interest in conjunction with Town procurement shall not be permitted without the express written consent of the Town of Trumbull. In connection with the execution of the bid, subsequent purchase orders and/or contracts, the Contractor shall not discriminate against any employee or applicant for employment because of age, race, religion, color, sex, or natural origin.

All Change order(s) – payments and schedule got through Dmitri Paris Parks Supervisor.

Prices quoted shall be Net – Delivered to destination. Bids quoting other than F.O.B. Destination may be rejected.

The contractor will be responsible for securing all necessary permits, state and local, as required by the Town of Trumbull.

## Scope of Project

The response to this RFP should include a detailed design and cost proposal for a play structure meeting the requirements as stated. Upon review of the proposals the Town will enter into an agreement with the selected firm to provide a final design in collaboration with the Town's representatives. Upon acceptance of the final design the firm will provide and construct all elements of the play structure in accordance with that design and meeting all applicable local, state and federal regulation.

### Design

Understanding that play structure design may vary greatly, the Town is seeking design proposals that include but are not limited to the following considerations:

- Environmentally conscientious design relating to the proposed site including connections to existing rest rooms and Sprinkler Park.
- Areas that allow for universally accessible capability, such as Swings, Slides, Spinners, Rope Climbers, Overhead Bars with Rings or Rungs and connected elements via elevated surfaces such as Ramps, Bridges, Steps and Ladders
- Distinct Areas that include age appropriate components

- Design sensitivity for mobility-challenged individuals beyond minimum ADA compliance in order to provide true play value
- The playground is to be designed with keeping long term maintenance to a minimum.
- Multiple educational and musical components to be incorporated throughout;
- Materials: All Materials utilized for the equipment and other areas of the playground will be selected with two primary considerations: Safety and Maintenance
- Engineered Wood Fiber used as surface material as required

## Site

Play structure should be incorporated into the existing site and should take onto consideration existing structures, sun and shade. Site work to include:

- Demolition and disposal of existing play structure
- Preparation of site including proper drainage
- Accessible connections to parking, rest rooms and sprinkler park

## Project Budget

The Town has established a project budget of approximately \$200,000 inclusive of design, permits, and purchase of equipment, construction and site work. This amount is presented to illustrate the scope of playscape being considered. Nothing herein shall restrict the Town from altering the project budget in any manner. Only the issuance of a duly executed Purchas Order (PO) from the Town of Trumbull shall commit the Town to any expenditures related to this project.

# Pre Bid Meeting

The Town will host a pre bid site visit  
INDIAN LEDGE PARK

## Schedule

# Construction

The following are general specifications related to the overall quality of construction for the play structure requested. Substitutions will be considered and should be highlighted in the bid proposal.

- Posts: Structural galvanized steel supports may be made of 4.5" or larger O.D. Schedule 40 Steel piping or equivalent, Aluminum, Lower Gauge or smaller diameter materials are not acceptable.
- Powder Coated Materials must be kept to a minimum and Painted Surfaces are not acceptable.
- Wooden play equipment and components shall be manufactured from Playground Equipment Grade Douglas fir timbers, free-of-heart-center (F.O.H.C.).

Finger Jointed, Laminated or timbers containing the heart center or pith of the log shall not be accepted.

All wood components shall be pressure-preservative treated with a non-toxic formulation designed for use on playground equipment and in compliance with (AWPA) American Wood Preservative Association Standard C1. Preservatives containing arsenic, pentachlorophenol, creosote or similar toxic chemicals as their active ingredient shall not be used.

Infrastructure of climbers shall not be footed in the earth – instead – a system of ground level cross supports stringers are used to secure the framework.

- Stained and Painted Wood is not acceptable

- PVC materials should not be present in any components.
- Glass Fiber Reinforced Concrete GFRC and Rubber Coated Ropes are discouraged within the design.
- Proposed materials should be “Grippable” by all ages of children and coated so that they do not conduct excessive heat. Materials should have proven longevity in similar year round climates common to New England States.
- Deck Frames: if applicable should be made from ¼” x 2-1/2” Steel Bar and 2” x 1 3/16” Steel Channel, formed to accept 2 x 6 Decking Material. Corners of each deck shall fit closely with support posts and allow for attachment to posts with supplied collar sets.
- Platforms:
- Side and barrier panels: (excluding play shells and hollow plastics) should be constructed of a .75 inch or 19 mm high definition polyethylene or approved equivalent that carries at least an 80% recycled content with the outer layers being treated with UV stabilizers.
- Play shells: shall be constructed of rotomolded low-density polyethylene with UV stabilizers or approved equivalent.
- Ropes: shall be a polyester or polypropylene cable blend containing steel reinforcement through the use of 6 steel strands and follow an induction process during manufacturing so as to bind the PES with the steel within the rope or an approved equal. Different size ropes must be shown within the design based off the ages of the children.
- All Hardware: shall be constructed of stainless steel or Delta coated for corrosion protection
- Bearings: on spinning elements shall be electric motor quality lifetime lubricated ball bearings, with 72 mm outer diameter. Bushings will not be considered equal.
- Springs: shall be constructed of steel that meets DIN 17221 and subjected to shot peening to prevent crack formation and fatigue fracture.
- Swings: Swing Chains shall be constructed of 6 mm diameter stainless steel chain per DIN 766.
- Swing Hangers shall be constructed of UV-stabilized, conditioned, injection-molded polyamide with sealed, maintenance-free ball bearings.
- Infant Swing Seats shall be a one-piece reinforced rubber seat or approved equivalent with a fully enclosed rim. The seat shall use galvanized or stainless steel hardware riveted to the seat that allows attachment to the suspending chains.
- Belt Swing Seats shall be constructed of UV-stabilized polyurethane with a plastic core
- Musical Features: Durable all Weather Percussive and Sustaining instruments with varied pitch range and differing sound qualities such as but not limited to Tuned Drums, Tube Bells and Marimba must be fully integrated in the final design and be accessible and inclusive to all age groups.
