## ADDENDUM NO. 2

### TOWN OF TRUMBULL, CONNECTICUT

#### BIDDING AND CONTRACT REQUIREMENTS AND SPECIFICATIONS

#### FOR

#### SEWER SYSTEM REHABILITATION PROJECT 1: AREA A AND AREA B

This addendum amends and/or supplements the Bid Documents as indicated below. Only these items alter the Bid Documents; any verbal discussions or responses are hereby declared null and void. The Bidder shall indicate the receipt of all previously issued Addenda on the Proposal Form.

#### CLARIFICATIONS

1. Sealed bids for the Sewer System Rehabilitation Project will be received by the Town of Trumbull at the office of the Purchasing Agent, 5866 Main Street, Trumbull, CT, until 2:00 PM, local time, February 16<sup>th</sup>, 2017. Please note that the title of the pdf on the Towns website stated the incorrect date, however all contract documents have been consistent in stating February 16<sup>th</sup> as the day when the Bids are due to the Town.
2. Attention is drawn to the fact that the Contractor is responsible for the cost of all water used during the project. General Conditions 6.03A states the following: “Unless otherwise specified in the Contract Documents, Contractor shall provide and assume full responsibility for all services, materials, equipment, labor, transportation, construction equipment and machinery, tools, appliances, fuel, power, light, heat, telephone, water, sanitary facilities, temporary facilities, and all other facilities and incidentals necessary for the performance, testing, start up, and completion of the Work.”
3. The Pre bid meeting was held on January 31<sup>st</sup>, 2017 at 10:00 A.M. A copy of the agenda and sign in sheet are included in this addendum.

#### SPECIFICATIONS

1. Section 00100 Instructions to Bidders, Article 19: **ADD** the following: “19.07 In evaluating the Bids the Owner may require a Pre Award meeting for any of the Bids submitted. The necessity of this meeting will be at the Owners discretion and the necessity of meeting with one or multiple qualified Bidders will decided by the Owner.”
2. Section 0800 Supplementary Conditions, SC-6.11A: **ADD** section 6.11A.5:  
5. “Equipment can be stored at either Highway yard at 366 Church Hill and/or Indian Ledge Park Storage located on Whitney Ave at the end of each work day. Prior to storing equipment, Contractor must coordinate with Highway Supervisor to determine the amount of equipment to be stored. Highway Supervisor will provide final determination as to which yard to store equipment.”

3. Section 0800 Supplementary Conditions, SC-10: **ADD**:  
“Add the following paragraph immediately after paragraph 10.01.A:  
The Town and Contractor may agree to utilize the same unit prices for other additional sewer system rehabilitation work similar to this scope of work and items in the bid. The Contractor and Town may enter into contractual agreement using the prices in this Bid as ON CALL OPPORTUNITIES.”
4. Section 01010 Summary of Work: **ADD** the following to the end of section 3.1D: Due to potential high flows within the sewer system during rain events, the contractor shall avoid working in wet weather conditions unless previously discussed with Engineer.
5. Section 01050 Coordination, Section 1.2.B: **ADD** the following: “4. The Contractor shall be responsible for notifying the Town prior to any work occurring in easements throughout the project. This includes inspection work as well as other construction related activities. The Contractor shall notify the Town no less than fourteen (14) days in advance of any activities occurring in the easements so that the Town and Engineer can coordinate with the homeowners.”
6. Section 01340 Submittals, 1.2C : **DELETE** “five (5) of hardcopies” and REPLACE with “one (1) hardcopy”.
7. Section 02758 Manhole Rehabilitation, 3.0A: **DELETE** “and Engineer”
8. Section 02758 Manhole Rehabilitation, 3.0A.1: **DELETE** “with the Engineer present”

TOWN OF TRUMBULL, CONNECTICUT  
SEWER SYSTEM REHABILITATION  
PROJECT 1: AREA A AND AREA B

PRE-BID CONFERENCE

10:00 A.M.  
January 31, 2017

I. Identifications

Owner: Town of Trumbull  
5866 Main Street  
Trumbull, Connecticut, 06611  
Telephone: (203) 452-5053  
Contact: Frank Smeriglio, PE, Town Engineer

Engineer: Wright-Pierce Engineers  
169 Main Street  
Middletown, CT 06457  
Telephone: (860) 343-8297  
Contacts: Nicole Ouimet, Project Engineer  
Joe Hausmann, PE, Lead Project Engineer

1. Objectives:

The purpose of the Pre-bid Meeting is to answer questions from potential bidders relating to the contract documents.

It is extremely important to note that bids must be based solely on information contained in the contract documents, including any addenda. Nothing stated in this meeting modifies the contract documents unless it is followed up in the context of an Addendum to the contract documents.

2. There has been one addenda issued to date for this project. Expect an upcoming addenda containing answers to any questions from this meeting. There may or may not be additional addenda. Any addenda must be acknowledged on the Bid Form. Oral statements may not be relied on and will not be binding or legally effective.
3. The location of this project includes, but is not limited to, locations within the rights-of-way on the streets and easements in the Town of Trumbull, CT, as shown on the drawings.
4. Bids must include:
  - Completed Bid Form;
  - Required Bid Security;
  - Experience Statement (00405) with supporting data;
  - Signed Certification of Bidder Regarding Equal Opportunity (Section 00406);
  - Non-Collusion Affidavit of Prime Bidder (Section 00408);
  - A tabulation of Subcontractors, Suppliers and other persons and organizations required to be identified in this Bid.

5. Bid opening is scheduled for 2:00 P.M., February 16, 2017 at the Town of Trumbull, CT, Office of the Purchasing Agent, 5866 Main Street.
6. The contract, if awarded, will be awarded to the lowest responsible Bidder submitting a responsive Bid to whom Owner (on the basis of Owner's evaluation) makes an award within 90 days of the bid opening.
7. Proof of providing Equal Opportunity and Wage Rates are required as part of the Contract Documents. The Wage Rates were included in Addendum 1. It is the Responsibility of the Contractor before bid opening to request, if necessary, any additional information on Wage Rates for those people who are not covered by the applicable Wage Rates, but who may be employed for the proposed work under this contract.
8. Owner and/or Engineer will have a Resident Project Representative on-site part time during construction activities.
9. Bidders are directed to sign the attendance sheet. This attendance sheet will be attached to the next issued addenda.
10. All proposed staging areas must be coordinated with the Town.
11. Note the completion times per the Contract Documents:
  - 120 days to Substantial Completion
  - 150 days to Final Completion
12. Liquidated damages will be in the amount of \$1,500.00 for each calendar day of delay from the dates established for Substantial and Final Completion.
13. Questions received less than 10 days prior to the date for opening of Bids may not be answered.
14. Submittals- Refer to Section 01340
15. Pre-rehab inspection of the manholes and reviewing the contractors planned rehab methods with us.
