## UNLOCKED VEHICLES STOLEN FROM RESIDENTS

Trumbull Police are investigating three stolen vehicles that were taken from residential driveways in Trumbull over the past several days. In three separate incidents, three vehicles were stolen where residents had left their vehicles unlocked and the keys inside. These included cars that had been parked on Inca Dr., Killian Ave. and Main St., between March 1<sup>st</sup> and March 5<sup>th</sup>.

One vehicle was involved in a pursuit with Capitol Police in Hartford, and was later recovered in Southington. Another was left running outside an area business on Main St. when it was taken, it was later recovered by the owner who followed it and found it abandoned in Bridgeport in the area of Reservoir Ave. The third was recovered the same day after running out of fuel in town.

In addition to the vehicle thefts, Trumbull Police are investigating several thefts from motor vehicles that occurred during this same time period, in various neighborhoods throughout the town. All of these vehicles were also left unlocked. One home was entered when the thieves used a garage door opener from an unlocked car to gain entry to the residence while they slept.

Anyone with information about these incidents is asked to contact the Trumbull Police Department directly at 203-261-3665 or via our anonymous and Confidential Tip Line located on our website, [trumbull-ct.gov/police](http://trumbull-ct.gov/police). The Trumbull Police would once again like to take this opportunity to remind all residents to always lock your vehicles and remove all valuables from view.
