FOR IMMEDIATE RELEASE

JUNE 5, 2017

VEHICLE STOLEN FROM TRUMBULL DRIVEWAY

A resident of Elberta Avenue in Trumbull reported that their 2016 BMW X1 SUV was stolen from their driveway, after they left the vehicle unlocked and the keys inside. The vehicle, which is valued at \$50,000, was taken late Thursday night, along with a purse and other valuables that were left in the unlocked car. Some personal property was also taken from at least one other unlocked vehicle that was parked nearby.

The owner reported the theft to police on Friday morning, and the vehicle was located later that day, parked behind a vacant house in the Fair Haven section of New Haven.

Trumbull Police continue to remind residents:

- Always lock your vehicles when they are left parked outdoors
- Take the keys with you
- Don't leave valuables visible in the car
- Park in a well-lit area, or in a garage when possible
