FOR IMMEDIATE RELEASE

VEHICLE STOLEN DURING WORKOUT

On Monday July 24, 2017, a Shelton resident had his 2013 Hyundai Sonata taken while he worked out at LA Fitness located at 5065 Main St., the Westfield Mall. The victim left his keys and belongings in an unlocked locker in the men's locker room.

He arrived at the gym at approximately 9:30 pm and returned to his locker about an hour later to find the keys missing. A check of the parking lot found that someone had stolen the car. The vehicle contained his cell phone, wallet, credit cards, cash and several other personal items.

The vehicle was located a short time later in Bridgeport with the keys in it, but minus his personal belongings.

Trumbull Police would like to remind everyone to properly secure their personal items whenever they are using an exercise facility or are going to be away from their belongings for some time.
