FOR IMMEDIATE RELEASE
SEPTEMBER 5, 2017
JEWELRY THEFT REPORTED

On Saturday September 2nd, over \$32,000.00 in jewelry was taken from the Pandora Store in the Westfield Trumbull Mall.

At about 4:00 pm, a store employee found an entire tray of gold bracelets, rings, charms and earrings missing from a display case that was broken into.

Prior to finding the tray missing, two females and a male entered the store. As one of the females distracted the store salesperson, the other female and male stayed near the display case. Surveillance video shows the male reaching around, breaking the locked door, and reach into the case removing the tray. He then places the tray into a large shopping bag that the second female was holding. The two then quietly leave the store. The third female, who was distracting the store employee, then leaves the store a few minutes later.

Anyone who may have information about this incident is asked to contact the Trumbull Police Department directly at 203-261-3665 or via the anonymous and confidential tip line located on our website: trumbull-ct.gov/police.
