TRUMBULL GRADE SCHOOL STUDENT STRUCK BY VEHICLE

Trumbull Police are investigating a motor vehicle accident where a 9-year-old student was struck by a passing vehicle.

The incident took place on Main Street near Pinehurst Street at around 8:15 a.m. this morning. The Middlebrook School student had run out into the road and into the path of a southbound vehicle as she was trying to catch her school bus that had stopped on Pinehurst Street. She was struck by a vehicle that was traveling on Main Street, as it drove around a Greater Bridgeport Transit bus that had also stopped for passengers at this same location.

Trumbull EMS transported the student to Bridgeport Hospital where she is being treated for a leg injury. All vehicles and drivers remained at the scene and are cooperating with the investigation. No charges have yet been filed, but the investigation continues.
