TRUMBULL OFFICERS PARTICIPATE IN NATIONAL "COFFE WITH A COP" DAY

Yesterday, October 3rd, the Trumbull Police Department recognized national "Coffee with a Cop" day by visiting local establishments to meet the patrons and mingle with the staff. It was an opportunity to get to know the officers and bridge the gap between perception and reality.

The officers were heartily welcomed by both the public and the staff. So much so that they were put to work in some places taking orders and serving patrons!

We at the Trumbull Police Department would like to thank Chip's Restaurant, Hawley Lane McDonalds, and Starbucks for their participation and hosting our officers.
