New Business

Discussion and Consideration of proposed mixed-use development at 7180 & 7192 Main Street, Gateway Commons.

Attorney Russo explained the proposal is a mixed-use development split between Trumbull and Monroe. It is a single building with residential, commercial, offices and 198 parking spaces. The residential is two levels at the front with 57 units, the lower grade area is 8,000 sf office space, and the ground floor is commercial, retail. There is full access to the site from Main Street with an entrance/exit and a right-turn lane. There are two cuts on Main Street. They have met with the fire marshals from both towns.

Attorney Russo indicated to the Chair the traffic light at Victoria would not be utilized, it is 1000' away.

Mr. Cipolla responded to Commissioner Magliocco that CT DOT requires an 8-hour warrant, (8 hours out 12 for a certain standard), the site does not generate enough traffic for a traffic light.

Attorney Russo indicated to Chief Lombardo there are 36 apartments in Trumbull. The building was designed so it is clear which apartments are in Trumbull.

It was clarified a different project is accessing Victoria Drive.

Attorney Russo confirmed for Commissioner Thornton Rails to Trails was behind the property, it is at the rear on the other side of the pond. This site does not have direct access to the trail.

Attorney Russo indicated for the Chair Trumbull will get the sewers, they have been before both Bridgeport and Trumbull WPCA.

Mr. Cipolla explained the traffic study showed during the morning and Saturdays the RT 25 corridor operates similarly to a condition without the development but during the weekday afternoon there is a slight increase in delay at the Spring Hill Road and Tashua intersection and are recommending tuning of the traffic signal to add more green-time to reduce the impact to the condition before development.

Attorney Russo indicated the breakdown of the apartments for Chief Lombardo as follows:

Trumbull Apartments

(4) 2- bedroom studios
(8) Lofts
(20) 1-bedrooms
(4) 2-bedrooms

Monroe Apartments

(2) 2-bedroom studios
(17) 1-bedrooms
(2) 2-bedrooms

Mr. Cipolla responded to Commissioner Magliocco and explained they looked at the peak hours of 7-9 a.m. and 4-6 p.m. Amazon's vans leave the facility 9-10 a.m. It was confirmed the study was done while school was in session, it was done on a weekday, October 19, 2022 and on a weekend, October 22, 2022.

Mr. Cipolla noted they will widen Main Street's southbound lane for a bypass lane, cars making a left onto the site will not block traffic.

Attorney Russo confirmed for Commissioner Magliocco there are sidewalks.

Mr. Cipolla confirmed for the Chair the traffic study was done during rush hour 4-6 p.m. CT DOT is upgrading the traffic signals' detection at Victoria Drive and Sprig Hill and Tashua.

Attorney Russo indicated they would like to start as soon as possible, they have P&Z in both towns this week to finalize.

Chief Lombardo explained for Commissioner Magliocco it will depend on what type of call it is as to what town would respond to emergencies.

The Chair noted the developers will work CT DOT, this is a state road.

Moved by Commissioner Magliocco, seconded by Commissioner Thornton to approve. Motion passed unanimously

two young men were seen trying to get back into the car. The officers approached and they fled on foot. Both juveniles were apprehended, and were released to their parents, which is protocol. The car was stolen out of New Haven. One of them was wearing an ankle bracelet which means he has multiple priors, The Chief noted the officers are really dedicated and do their best going after stolen cars.

Training Report

Chief Lombardo reviewed the Training Monthly Activity Report for the month of January.

Cadet Report

Chief Lombardo reviewed the Cadet Report for the month of January.

Sick/Injury Report

Chief Lombardo reviewed the Sick/Injury Report for the month of January.

Budget

Chief Lombard reported overall this year's budget is good, the overtime account will be over because the officers have had to work doubles to cover shortages, but are not expecting to have to ask for a supplemental appropriation because they will be able to cover it from other line items.

AC Byrnes indicated the surplus from the fulltime salaries continues to grow, as of today they lost another fulltime salary. The overtime line item will be offset by the fulltime salaries line item.

Proposed FY2023-2024 Budget

Chief Lombardo reviewed the Proposed FY2023-2024 Budget. Capital Outlay has an increase because last year they used ARPA funds to pay for the cars and equipment, this year they put in what is normally in the budget. The salary line item was increased as well as overtime. The next step is the BOF, that schedule has not been published yet.

AC Byrnes explained they continue to fund the vacancies of sworn personnel and continue to focus on civilianizing what they can.

Chief Lombardo noted they are in the process of hiring new officers. There are three (3) seats at the academy in the spring.

Chief Lombardo responded to Commissioner Magliocco, the officers currently in the academy will get out in July and have 12 weeks of field training. There is one officer in the field who graduated from the academy in December and has six (6) to eight (8) weeks of field training before she

can be on her own. AC Byrnes noted the Field Training Officer was going to the academy tomorrow and would get a status.

Chief Lombardo recognized Officer Quinn Gagstetter, he was off duty in Oxford, and he noticed one of the occupants in the car firing a gun out the car he was behind. He called 911, stayed at a safe distance and continued to follow the vehicle, it went to a parking lot and stopped. There was a police officer in the parking lot, he approached him, identified himself and explained what he witnessed. They took the occupants out of the car, made an arrest and recovered the gun. Oxford is going to recognize Officer Gagstetter at their Selectmen meeting on Wednesday. Officer Gagstetter handled it the way you would want someone to, especially as serious as this could have been. Lieutenant Jones will make sure that Officer Gagstetter is on the list for their award ceremony done every two years.

Old Business

Update on Police Pension Consideration

Chief Lombardo indicated Mr. McCarthy is working with the consultant and has quite a bit of work to do with the consultant, the police department will offer their help.

Chief Lombardo confirmed for Commissioner Thornton the police are being looked at separately. The Chair noted he did not think they could look at them without separating they are two separate accounts. Commissioner Thornton noted the police should be looked at first due to timing.

Chief Lombardo noted the hope is for good news that is fair for everybody. He is aware of other officers applying to departments and does not want this trend to continue. A lot of time and resources has been spent on training and would like to keep them, they are good officers.

Adjournment

There being no further business to discuss and upon motion made by Commissioner Thornton, seconded by Commissioner Magliocco the Trumbull Police Commission adjourned by unanimous consent at 6:44 p.m.

Good morning Chief

So this morning on Dayton Road, as we were getting ready to start our day, we heard gunshots, and as you may know, that is something we are not used to. I made it to my door to see a police car in front of my home and panicked a bit but was told that it was a deer that got hit from some crazy car speeding and unfortunately the deer was not gonna make it so they had to take care of the situation. I asked if it was OK to bring my son out because I wasn't sure what was going on and he went to make sure he covered up the deer with his car so my Jordan wouldn't see the animal laying in the street while walking to bus not even sure if those were his intentions but that's what he did, at least from our perception, just wanted to say thank you to him and let you know that this officer did a wonderful job this morning in a not so nice situation Jordan had no idea what was going on Wish I had gotten his name to let you know, but I was not getting that close. Hopefully you will be able to see a report somewhere. Thank you stay safe and have a great day.

COMMISSION

Dear Chief Lombardo
 I am writing this note regarding an incident that occurred at my home this past Sunday. Officers King and Edward responded and were absolutely wonderful. They not only listened and treated my son with respect but they were very concerned with our safety. They took the time to talk to us and hear what we were saying. I can not compliment them enough! You are truly lucky to have

them in your department!
 And thank you Chief Lombardo for reaching out to the Mary Sherbock center on our behalf. They called this morning to set up appointments for us. That goes w/d above your job and is so very much appreciated.
 I am truly blessed to say that I have lived my entire life in the town of Trumbull - and now so do my sons.
 Thank you all for all you have done for us.
 Most sincerely,
 Christian Oester

Chief Michael Lombardo
Trumbull Police Department

Trumbull, CT 06611

Dear Chief Lombardo:

It is with great pleasure that I commend the actions of your officer, Quinn Gagstetter, for actions he took in the Town of Oxford on January 28, 2023. On that date, Officer Gagstetter was following a vehicle on Route 67 in the Town of Oxford when an occupant of that vehicle began to discharge his firearm on said road. Officer Gagstetter immediately called the emergency number and continued to follow said vehicle into the parking lot of the Little River Shopping Center. Upon arrival, Officer Gagstetter waited for Oxford police who responded immediately to the call. While waiting for the Oxford police response, Officer Gagstetter maintained visual contact with the suspect but did not draw his revolver so as to not confuse the responding officer as to which person was illegally discharging a gun on Route 67. When Oxford Officer Dyki arrived at the scene, Officer Dyki inquired as to whether Officer Gagstetter was armed. After an affirmative response, Officer Dyki requested Officer Gagstetter to cover him while the suspect was placed into custody.

The Town of Oxford is grateful for the actions of Officer Gagstetter and his professional demeanor shown at the scene. His actions resulted in a very serious incident being diffused with minimum danger to the public. Further, his actions demonstrated the highest standards of training and commitment to the highest ideals of law enforcement.

Very truly yours,

George R. Temple, Esq.
First Selectman
