Andy Fries, Bobby Brown

Mrs. Dowling called the meeting to order at 10:10 AM.

Topics Discussed:

- The September rain highlighted several areas that needs seeding. “Dormant seeding” will continue to be applied throughout the remainder of the season.
- Aeration: Completed – Glen tees and greens; Knolls greens; Glen putting green. Still to be Completed Knolls tees and fairways; Glen fairways; Knolls putting green
- The divot bottles have been put back out on the course but have not been used too much.
- The area on #5 Knolls continues to be mowed every few days. We have received no additional comments to date from neighbors.
- The mechanic position is posted and will expire on October 14th.
- Budget discussions for FY 2024 continue
- The contract for Robert McNeil is being finalized.
- Mr. Fries will look into an Aquatics DEEP license for himself to be able to treat the ponds.
- Mr. Fries will be performing his own course evaluation over the next several weeks.
- The Knolls back 9 has been lined to re-establish wider collars and better mowing patterns.
- A second hydraulic leak has occurred on the range.
- Mr. Brown updated Mr. Fries on the areas that seem to have more leaf activities than others.
- The irrigation heads are being moved next to the cart driveway that will be paved this fall.
- September Weather Report: Some much needed precipitation arrived for a total of 2.5” which was less than normal but a welcome sight and turf has responded favorably. Temperatures were slightly warmer than average.
