## ALL AMERICAN WASTE

May 27, 2021

TOWN OF TRUMBULL  
5866 Main Street  
Trumbull, CT 06611  
Attention: Kevin J Bova, Purchasing Agent

**Re: BID #6410 Town of Trumbull & BOE Garbage Pickup**

Dear Mr. Bova:

In response to the Town of Trumbull's *Request for Quotation Bid #6410 Town of Trumbull & BOE Garbage Pickup*, please find enclosed All American Waste LLC's bid.

*To create routing efficiencies throughout our customer base in the Town of Trumbull, All American Waste would like to declare the following regarding our RFQ:*

*Regarding the contractor being exempt for all tipping fees related to the disposal of all solid wastes from the Town buildings & BOE, All American Waste requests an annual tonnage credit at the Trumbull Transfer Station as presently exists at 800 tons. All American Waste will be charged tipping fees for all tonnage delivered to the Transfer Station (including tipping fees not previously charged under the agreement). Tonnage credits allocated for the Town buildings & BOE will offset those same charges. All American Waste guarantees delivery of tonnage in excess of those credits.*

*Regarding the term of agreement, All American Waste will extend the same pricing terms as outlined in the RFQ for a length of ten (10) years.*

All American Waste LLC is committed to operating the most environmentally friendly trucks in Connecticut. Our entire fleet of diesel burning trucks is in the process of being replaced by clean fuel CNG (compressed natural gas) powered refuse and recycling vehicles.

**If awarded this work, All American Waste LLC intends to continue to service the Town of Trumbull's contract with CNG vehicles.**

We, here at All American Waste LLC, greatly appreciate the opportunity put forth by the Town of Trumbull and look forward to future dealings with the Town of Trumbull.

Sincerely,

Ken Vallera  
Director of Sales & Operations  
All American Waste LLC
