RB-25-132	Residential Building Permit	Antoneth MITCHELL	23 OLD HOLLOW ROAD, TRUMBULL, CT 06611	4/15/2025	15000		I am looking to get my previously partially finished basement space permitted. I spoke with Bob from your office briefly about this matter and how to remedy it. After purchasing property last year and having to remediate mold which required us to remove bottom half of already framed walls and iinsulation in ceiling/rim joist areas due to past rat infestation and old poop left behind. We want to replace the sheetrock removed, reinsulate space and maybe add back carpeting. In doing so, we need to know what changes we are required to do since we found out in the last week that no permits exist for past work in space. PRIOR TO PERMIT. water damage aprox. 500 sq replace slider.
