COVID TESTING

If your child does not have any symptoms of the coronavirus and you want them to be tested, please refer to our website www.pha4kids.com for a list of locations you can bring them to without an order from a doctor. We are currently not testing asymptomatic patients in our offices for the coronavirus.

FORMS

If you have forms to be filled out, please mail or drop off your form in the box provided outside any of our offices. Forms may take up to one week to complete.
We will call you when they are ready.

COVID PROTOCOLS

In the interest of everyone's safety, we are permitting only one patient with an appointment and one guardian.. For more COVID-19 protocols, please visit our website, www.pha4kids.com

FLU VACCINE

Once our supplies have arrived in early September, you will be notified when to schedule an appointment.
