(Equity, Diversity, and Inclusion Task Force)

Create the EDIT LOGO Contest

February 1-28th

The new Equity, Diversity, Inclusion Task Force (EDIT) needs a logo! During the month of February we invite all members of the community (Trumbull residents and children) to tap into their artistic side to create a logo which represents what EDIT means to them.

To enter the contest, please fill out an application and attach a photo of your original design. EDIT will showcase some entries on social media as well as the website.

EDIT MISSION STATEMENT:

Trumbull's Equity, Diversity, and Inclusion Task Force (EDIT) seeks to foster a more equitable, diverse, and inclusive Trumbull, where all residents will have and feel that they have opportunity and representation, by listening to and engaging with community members, researching best practices, supporting education opportunities and initiatives, and advocating to improve inclusivity in Trumbull for all identities, including but not limited to identities based on race, ethnicity, gender, sexual orientation, religion, socioeconomic status, and ability.
