

**TRUMBULL WPCA NOTICE  
SANITARY SEWER ASSESSMENT 2022**

Notice is hereby given that the Water Pollution Control Authority of the Town of Trumbull, Connecticut, after due notice and Public Hearing according to law, has levied a benefit assessment for installation of sanitary sewers against the following properties as follows:

<b><u>NAME</u></b>	<b><u>LOCATION</u></b>	<b><u>Mblu</u></b>
Kevin Ayala	2810 Huntington Road, Stratford, CT	30/18/1/2//

The sewer assessment bill covered by this notice is being mailed to the individual property owner on or about July 1, 2022. The owner will have until July 31, 2022 to pay the assessment in full without being charged bonded interest. Starting on July 1st of each year thereafter the bonded interest will be due in full on the outstanding balance if not paid in full.

**Dated at Trumbull, Connecticut, June 1, 2022 and June 15, 2022  
TRUMBULL WATER POLLUTION CONTROL AUTHORITY**
