Whenever a new position is established, the appointing authority shall notify the Civil Service Board, giving a detailed description of the duties and responsibilities of the job, supervision received and exercised, the amount and type of experience and/or training considered essential for satisfactory performance, proposed rate of compensation, duration of position and proposed date of employment and a statement showing the official authorization for the position and availability of funds for the position. The Civil Service Board shall thereupon determine whether such position shall be included in the classified service and shall so advise the appointing authority. The Board shall determine the wage group classification.

Section B. The Civil Service Board, from time to time, will review all positions in the classified service and in the unclassified service to determine whether changes in job duties or other conditions indicate continued inclusion of a position or positions in the classified service. The Board shall determine the inclusion or exclusion of any newly established position in the classified service, unless said position is specifically excluded by statute, ordinance or resolution, and shall determine whether such position may be exempted from test and competition, in accordance with Section 7-411 of the General Statutes, as the same may be amended.

Section C. No person may be appointed to a position in the classified service unless he had been certified by the Civil Service Board as eligible for appointment to that specific position, provided that the Civil Service Board may specify certain position or classes of positions as non-competitive, as provided in Section B, and in such cases, appointments may be made without individual certification subject to the approval of the Civil Service Board as provided in these regulations.

RULE 5. METHOD OF FILLING VACANCIES

When a vacancy occurs, the department head will submit, on a personnel requisition form, the pertinent facts relative to the duties, responsibilities and qualification requirements of the position which is to be filled. If a list of eligible persons is available, certification will be made in the following manner:

In the filling of all vacancies, the Civil Service Board shall use eligible lists in the following order:

- A. Re-employment lists
- B. Promotional lists
- C. Open competitive lists

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

provided, however, that when the good of the Service indicates, a transfer of an employee from another department in an equivalent class and grade may be effected upon request of both appointing authorities with the approval of the Civil Service Board and prior notification to the appropriate unions by the Civil Service Board. The Board shall maintain a file of the names of persons desiring transfer and shall use such file in filling vacancies when there are insufficient names on appropriate re-employment lists.

Section B. PROVISIONAL APPOINTMENTS. When an appointing authority finds it essential to fill a vacancy and the Civil Service Board is unable to certify eligible persons for such vacancy because there is no existing appropriate list, or because there is not a sufficient number of persons on appropriate lists who are willing to accept appointment, the Civil Service Board may authorize the appointing authority to fill the vacancy by means of a provisional appointment, provided said authority requests an examination to fill this position permanently. A provisional appointment may be made without the prior approval of the Civil Service Board and payment may be made for services rendered by the appointee prior to such approval when, in the opinion of the appointing authority, Town services or functions would deteriorate without said provisional appointment. However, this authority is extended only until the next regularly scheduled meeting of the Civil Service Board, at which time approval for continuing the appointment may be granted or denied by the Board. A provisional appointment shall expire when a list has been prepared or shall expire automatically six (6) months from the date of such appointment and shall not be subject to renewal. Provisional employees are not protected under this section from suspension, layoff or discharge.

RULE 6. RE-EMPLOYMENT AND EMPLOYMENT LISTS

Section A. RE-EMPLOYMENT LISTS. When a permanent employee is laid off because of lack of work, lack of funds, or any other reason not attributable to himself/herself, his/her name shall be placed on a re-employment list to be effective for a period of one year.

Section B. PROMOTIONAL AND OPEN COMPETITIVE EMPLOYMENT LISTS. The Civil Service Board shall establish and maintain such promotional and open competitive employment lists for the various classes of positions as it deems necessary or desirable to meet the needs of the Service. On each such list the eligibles shall be ranked in order of their ratings earned in tests given for the purpose of establishing such lists. The Civil Service Board shall cancel such portion of any list that has been in force for more than one year. After one-third of an eligible list has been drawn, the Board may hold another examination to obtain a new list. Any person remaining on the list may retain his/her score or, at his/her option, may enter the test and obtain a new rating which will supersede the former rating.

Section C. ORDER OF NAMES ON LIST. Names of eligible persons shall be placed on the lists in order of their final earned rating plus veterans' preference credit where applicable. In the case of ties in the final ratings, names shall be placed on the list in the order of ratings earned in the part of the examination given the greatest weight.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

Section D. REMOVAL OF NAMES FROM EMPLOYMENT LISTS. The name of any person appearing on an employment list may be removed by the Civil Service Board if the eligible person requests in writing that his/her name be removed or if he/she cannot be located by postal authorities or other means of ordinary communication within five (5) days following the date of notification. The name of any eligible person may also be removed if the person has been certified for appointment three (3) times and has not been appointed, or if the eligible person has waived appointment twice.

Any cause specified in these rules for the rejection of applications may likewise be cause for the removal of the name of an eligible person from the eligible list on which it appears.

Section E. VETERANS' PREFERENCE. Any war veteran, if he/she is not eligible for compensation from the United States through the Veterans' Administration for a service-connected disability and if he/she has attained at least the minimum earned rating on any examination held for entrance into the classified service shall have five (5) points added to the final grade. Any such veteran, if he/she is eligible for such compensation or pension for such service-connected disability and if he/she has attained at least the minimum earned rating on such examination, shall have ten (10) points added to the final grade. No veterans' preference shall be given on any promotional examination. "War Veteran", for the purpose of this section, shall be defined as in Sec. 27-103 of the 1975 Revision of the General Statutes of the State of Connecticut. Credits shall be based on examinations with a possible rating of one hundred points.

Section F. CERTIFICATION OF ELIGIBLE PERSONS. In the filling of all positions, with the exception of transfers, the names certified to the appointing authority shall be those of the five persons standing highest on the appropriate list. If there is more than one position vacant, the Civil Service Board shall certify one additional name for each additional position. (Amended 5/11)

Section G. DECISION AS TO SELECTION OF APPOINTEE. An appointing authority, upon receipt of certification of eligibles for appointment to the classified service, shall, within the succeeding fifteen days, appoint an eligible person, such appointment to be effective on the date designated by the appointing authority and within 30 days of the certification date. If an eligible person wishes to waive an appointment, he/she shall so notify the appointing authority, with a copy to the Civil Service Board, stating the reasons. Upon receipt of such a waiver, the Civil Service Board shall certify the next name on the list of eligible persons. If the appointing authority is unable to make arrangements with a person whose name has been certified to begin work within a specified period, he/she shall report such fact to the Civil Service Board who may grant an extension of time, if such extension is deemed advisable.

RULE 7. APPLICATIONS AND APPLICANTS

Section A. APPLICATION FORMS. Applications for employment in the classified service shall be made on forms provided by the Civil Service Board. Such forms shall require information covering training, experience, references and other pertinent information, and may include certificates of one or more examining physicians. All applications must be signed by the person applying. Information on applications cannot be altered once the closing date for applications has passed.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

If for any reason the Town Hall is closed on the last day advertised for acceptance of applications, the closing date will be extended to the next working day.

Section B. DISQUALIFICATIONS. The Civil Service Board shall reject any application which indicates on its face that the applicant does not possess the minimum qualifications required for the position or who fails to file by announced closing date for receiving applications, unless prior to such date an extension has been publicly announced. Applications also shall be rejected if the applicant is unfit for the performance of the duties of the position to which he/she seeks appointment; has been convicted of a crime other than a minor motor vehicle violation; has made any false statement of any material fact in, or practiced or attempted to practice any deception or fraud in, his/her application. Whenever an applicant is rejected, notice of such rejection with a statement of the reason therefore shall be mailed to the applicant by the Civil Service Board. If the applicant is not a citizen of the United States, proper authorization to work must be presented. (Amended 7/12/00)

RULE 8. EXAMINATIONS

Section A. GENERAL QUALIFICATIONS. All appointments and promotions to competitive positions in the classified service shall be made according to merit and fitness to be ascertained by competitive examination and, in the case of promotions, efficiency and seniority. Examinations may include written, oral, physical or performance tests or any combination of these. They may take into consideration such factors as education, experience, aptitude, knowledge, character, physical fitness, residence or any other qualification which in the judgment of the Civil Service Board will assist in determining the relative fitness of applicants. Applicants may be required to furnish proof of their age, citizenship, educational qualifications, veterans' status or other data at the time of filing application.

Section B. Section B b. Under no circumstances will any hiring be allowed from the resultant eligibility list until after the next regularly scheduled meeting. (Amended 9/11/85)

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

In such event, a new efficiency rating shall be required.

Section C a. Except that in Section B and C above, when a vacancy occurs, and with the approval of the Civil Service Board, a competitive examination may be given to include only Town Civil Service employees and Town employees hired under the Comprehensive Employment Training Act (CETA) or any other temporary program funded by the Federal government.

Section D. RATINGS. In all examinations, the minimum rating by which eligibility may be achieved shall be determined by the Civil Service Board. Candidates shall be required to attain at least a minimum rating on each of the announced parts of the test, and in addition, a general average of not less than the minimum determined by the Civil Service Board. The final earned rating of the candidate shall be determined by multiplying the earned rating on each part of the examination by the announced weights for such parts and adding the results.

Section E. RATING TRAINING AND EXPERIENCE. Where a rating of experience and training forms a part of the examination, the Civil Service Board shall develop such procedures for the evaluation of these factors as will serve to assist in the selection of the best qualified candidates. These procedures shall give due regard to the quality, recency, and amount of training. The Civil Service Board may take appropriate action to verify statements contained in any application and secure further information concerning the applicant's character and fitness. If, after a list is established, information which materially affects the rating of experience and training, character or fitness of the applicant is discovered, the Civil Service Board shall make a new rating of the applicant's examination and make the necessary adjustments in the lists.

Section F. NOTIFICATION OF EXAMINATION RESULTS. Each person who takes an examination shall be given written notice as to whether he/she passed or failed in such examination and of his/her relative standing on the list or of his/her failure to attain a place on the list. Each person in an examination shall be entitled to inspect his/her rating and examination papers, but the examination papers shall not be open to the general public. Such inspection shall be permitted only during the regular business hours at the office of the Civil Service Board and under such conditions as the Civil Service Board may prescribe.

Candidates may inspect their examination papers not sooner than five (5) days after the completion of the entire examination, but not later than fifteen (15) days after the completion of the entire examination.

A candidate appealing any part of the examination must submit an appeal in writing to the Civil Service Board not later than eighteen (18) days after the completion of the examination. The Civil Service Board will act upon the appeal as soon thereafter as deemed practicable. The decision of the Board is final.

RULE 27. PENSION PLAN

All classified employees who have completed twelve (12) months of active service with the Town and who have attained age eighteen (18) are eligible to participate in the "Town of Trumbull Retirement Policy". Such participants are subject to the rules and procedures adopted and amended by the Pension Board of the Town of Trumbull.

RULE 28. UNIONS

Classified employees may form or belong to unions as provided by State law. Any rule, regulation or contractual agreement agreed to by the Town and bargaining units will supersede Civil Service rules in the event of any conflict or inconsistency.

RULE 29. SETTLEMENT OF DISPUTES

When a dispute arises over any of the foregoing rules or the application thereof, a classified employee may attempt to settle the problem as follows:

- (a) Union grievance, if member of a bargaining unit.
- (b) Appeal to Civil Service Board, if not a member of a bargaining unit.

Under no circumstances will the Board consider any disputes that have been processed to the full extent of the Union contract grievance procedure.

This rule is not intended to provide a choice on the part of a classified employee in settling a dispute. Since most Union contracts specify that the grievance procedure shall be the sole means for settling disputes, it is the procedure to be followed by bargaining unit members. The Civil Service Board will continue to be the appeals panel for non-bargaining unit employees.

RULE 30. MERIT INCREASES

The Board will not grant merit increases to employees whose rates of pay are governed by a contractual agreement. Civil Service employees who are not covered by a bargaining unit may petition the Board for a merit increase by the following procedure:

1. Clearly state, in writing to the Board, why he/she feels that the job performance has exceeded normal job requirements. Such statements should cite as many specific examples of job excellence as possible.
2. A copy of the above correspondence is to be sent to the employee's immediate supervisor, the supervisor to note agreement or disagreement with the employee's evaluation. The supervisor's appraisal to be forwarded to the Board for final review.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

3. If the Board is in agreement with the employee, it may accelerate the employee's progression along the step rate system but cannot exceed the top rate of the employee's job classification. Requests for change of job classification are to be handled per Rule 25.
4. No merit increase shall become effective until a transfer of funds or supplemental appropriation is duly approved by the Board of Finance or Town Council.

RULE 31. STEP RATE SYSTEM

Plan adopted by the Board at meeting of 11/19/84. See Appendix A for details.

D. POLITICAL ACTIVITY

No member of the Civil Service Board shall solicit any contribution to the campaign fund of any political party or candidate for public or party office or take part in the management of any political campaign or serve as a member of a committee of any political party. Nothing herein shall be construed to affect the right of a member of the Civil Service Board to register as a member of a political party, express his opinion and vote.

CONNECTICUT STATE STATUTES

MERIT SYSTEM

Sec. 7-407. METHOD OF ADOPTION

Any political subdivision of this state may adopt the provisions of this part in the manner hereinafter provided. The legislative body or, if there is no such body, the administrative officers of such political subdivision may and, upon petition of electors of such subdivision in number not less than ten per cent of the total number of votes cast therein at the election last preceding, shall submit the question of adopting the provisions of this part in such departments of such political subdivision as such body or officers determine or as such petition requests, as the case may be, to a vote of the electors thereof at the next election, or at a special meeting called for such purpose, in the manner provided in Section 9-369. The designation of such question upon the voting machine ballot label shall be "For the Merit System, Yes" and "For the Merit System, No".

Sec. 7-408. CIVIL SERVICE BOARD; APPOINTMENT; TERMS OF OFFICE; REMOVAL

Within thirty days after such official determination, the Chief Executive Officer of such political subdivision shall appoint three persons as Civil Service Commissioners to hold office, one for two years, one for four years and one for six years, and until their respective successors are appointed and have qualified, which commissioners shall constitute the Civil Service Board; and biannually thereafter, such Chief Executive Officer shall appoint one commissioner to serve for six years and until his successor is appointed and has qualified. Two commissioners shall constitute a quorum. All appointments to said Board, both original and to fill vacancies, shall be so made that not more than two members shall, at the time of appointment, be members of the same political party, and no such commissioner shall, during his term of office, hold any other lucrative office or employment under the United States or the State or any political subdivision thereof having employees classified under the provisions of this part. Each commissioner, before entering upon the duties of his office, shall take the oath prescribed for executive officers. The Chief Executive Officer may remove any commissioner appointed by him, for lack of moral character, incompetency, neglect of duty, malfeasance or partisan activity while in office, but he shall, at the same time, file with the clerk of the superior court for the appropriate judicial district, a report in writing of such removal with his reasons therefore. In case of any vacancy, the unexpired portion of the term shall be filled by appointment by such Chief Executive Officer.

Sec. 7-409. PURPOSE OF PART. RULES

The purpose of this part is to provide means for selecting and promoting each public official and employee upon the sole basis of his proven ability to perform the duties of his office or employment more efficiently than any other candidate therefor, and such board shall make rules to carry out such purpose, shall investigate the enforcement and effect of such rules and shall have power to secure, by subpoena, the attendance and testimony of witnesses and the production of books and papers relevant to such investigation.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

Sec. 7-410. CIVIL SERVICE BOARD; PRESIDENT; CHIEF EXAMINER

The Board shall select one of its members as president and shall, after holding a competitive test therefor, employ a chief examiner whose duty it shall be, under the direction of the Board, to superintend tests. The chief examiner shall be, ex officio, secretary of the Board and shall, under the direction of the Board, keep the minutes of all its proceedings, preserve all reports made to it, keep a record and index of all tests held under its direction and perform such other like duties as the Board prescribes. The files and records of the Board shall be open at all reasonable hours to inspection by the public. The Board may incur necessary expenses for travel, compensation of secretary, clerk hire, stationery, and other incidental expenses.

Sec. 7-411. CLASSIFICATION OF OFFICERS AND EMPLOYEES

Such Civil Service Board shall, within ninety days after the initial appointment of such commissioners, classify all the officers and employees in the department for which the merit system has been adopted, except elective officers, as provided in Section 7-407; and the Board may also, in its discretion, exempt from test and competition, the officer responsible for the policy of any department, and one deputy, private secretary or other confidential employee of such officer. The officers and employees so classified by the Board shall constitute the classified Civil Service, and no appointment of any such officer or employment of any such employee shall be made except in accordance with the rules hereinafter provided for.

Sec. 7-412. PUBLICATION AND FILING OF RULES

All rules made herein provided and all changes therein shall be printed forthwith for distribution by such board, and the Board shall give public notice of the place or places where copies of such rules may be obtained. In each such publication shall be specified the date, not less than ten days subsequent to the date of such publication, when such rules shall take effect. The rules affecting any test shall in no case be changed after the publication of notice of such test. Copies of all such rules and of all changes therein, certified by the secretary of the Board, shall be filed with the clerk of the superior court for the appropriate judicial district, within ten days after the adoption thereof, and shall be filed, preserved and indexed by such clerk.

Sec. 7-413. EXAMINATION OF APPLICANTS. CERTIFICATION

Each applicant for an office or employment in such classified service, except those exempted by or as provided by this part, shall be subjected to a test, which shall be public and competitive, subject to limitations specified in the rules of the Board as to residence, age, health, habits and moral character. Such tests shall be practical in their character and shall relate to those matters which will fairly disclose the relative capacity of the persons tested to discharge the duties of the position to which they seek to be appointed, and may include tests of mental qualification, of physical qualifications and health and, when appropriate, of manual and technical skill.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

No questions in any test shall relate to political or religious opinions or affiliations. When a training school has been established in any institution, the pupils thereof may be classified, under the rules of the commission, as apprentices, subject to promotion to higher grades in the service as provided in this part. The rating of apprentices, unskilled laborers and domestic servants need not relate to more than capacity and fitness for labor, habits of industry and sobriety and honesty. The Board shall control all tests and may, whenever a test is to be made, designate a suitable number of persons to be examiners or the commissioners may, at any time, act as such examiners without appointing other examiners. Notice of the time, place and general scope of each test shall be given by the Board by ample publication for three weeks preceding such test, and such notice shall also be posted by such board in a conspicuous place in its office for three weeks before such test. Such further written or printed notice of tests may be given as the Board prescribes. Application for tests shall be made in writing, to the Board on a form prescribed by the Board, not less than forty-eight hours before the test is to take place. The Board may refuse to certify an applicant who is found physically unfit to perform the duties attaching to such position, or who is addicted to the use of intoxicating beverages to excess, or who has been guilty of a crime of infamous or notoriously disgraceful conducts, or who has, within two years, been dismissed from the public service for delinquency or misconduct, or who has intentionally made a false statement of any material fact or practiced or attempted to practice any deception or fraud in his application or in his test or in securing his eligibility to appointment.

Sec. 7-414. CLASSIFIED SERVICE; ELIGIBLE LIST; PROMOTION

The Board shall, from the returns or reports of the tests, prepare a register or eligible list, for each grade or class of positions in the classified service, of the persons who are otherwise eligible. Such persons shall take rank as candidates upon such register or list in the order of their relative excellence as determined by test, without reference to priority of time of test. The Board shall provide by its rules for promotions in such classified service, on a basis of ascertained merit in service, seniority in service and special test. The Board shall submit to the appointing power for each promotion, the names of not more than five applicants having the highest rating. The method of testing and the rules governing the same and the method of certifying shall, as far as possible, be the same as provided for applicants for original appointment. (Amended 5/11/11)

Sec. 7-415. CREDIT ALLOWANCES TO VETERANS IN EXAMINATIONS FOR ORIGINAL APPOINTMENT

Any veteran who served in time of war, if he is not eligible for disability compensation or pension from the United States through the Veterans' Administration and if he has attained at least the minimum earned rating on any examination held for the purpose of establishing an employment list for original appointment shall have five points added to his earned rating.

Any such veteran, if he is eligible for such disability compensation or pension and if he has attained at least the minimum earned rating on any such examination, shall have ten points added to his earned rating. Names of veterans shall be placed on the list of eligibles in the order of such augmented rating. Credits shall be based upon examinations with a possible rating of one hundred points. No such points shall be added to any earned rating in any Civil Service or merit examination except as provided in this section, the provisions of any municipal charter or special act notwithstanding.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

Sec. 7-416. APPOINTMENTS

The appointing officer under whom a position classified under the provisions of this part is to be filled, shall notify the Board of that fact, and the Board shall certify to him the names and addresses of a limited number of candidates, as provided in its rules, who stand highest upon the register for the class or grade to which such position belongs, and the appointing officer shall select one of the persons so certified. After a candidate has been certified three times by the Board and has not been accepted, the name of such may be stricken from the register. Emergency lists of persons who have passed the required tests may be maintained for any grade or class in which the numbers employed vary so greatly, in short intervals of time, that certification after notice would be impracticable, and such list may stand as a call list for positions in such grade or class only; but no appointment from an emergency list, except from the persons having the highest ratings thereon and eligible to permanent appointment, shall stand for more than sixty days, or be subject to renewal within fifteen days thereafter, except from a list of unskilled laborers or domestics actually employed and paid as laborers or domestics.

Sec. 7-417. PROBATION; NOTICE OF APPOINTMENT OR OF CREATION OR ABOLITION OFFICE

Appointments shall be on probation for a period to be fixed by the rules of the Board. At the expiration of such period of probation, the appointing officer may discharge a candidate at will, but, if he is not then discharged, the appointment shall be deemed complete. The Board may strike, from any eligible list, the name of any candidate which has remained thereon more than one year. After one-third of an eligible list has been drawn, the Board may hold another examination to obtain a new list. Any person remaining on the eligible list may retain his rating or, at his option, may enter the test and obtain a new rating which shall supersede his former rating. Immediate notice in writing shall be given by the appointing power to the Board of all appointments, permanent or temporary, made in the classified Civil Service and of all transfers, promotions, resignations or vacancies from any cause in such service, and of the date thereof, and a record of the same shall be kept by the Board. When any office or employment is created or abolished or the compensation attached thereto altered, the officer or board making such change shall report it immediately in writing to the Board.

Sec. 7-418. INMATES OF INSTITUTIONS EXCEPTED

Inmates of any institution, supported in and by any political subdivision of the state in which the merit system is adopted and a Civil Service Board appointed, may be assigned by the lawful authorities thereof, without test or registration, to such minor duties, in such institution as they are fitted to perform, but without pay or compensation other than privileges or liberties of the institution, except by special permission of the Civil Service Board.

Sec. 7-419. REMOVAL OF OFFICERS OR EMPLOYEES

No officer or employee in the classified Civil Service shall be removed, discharged or reduced in rank or pay because of religious or political opinion or affiliation. No removal from the classified Civil Service, except at the expiration of the period of probation, shall be made by any appointing power except for reasons given in writing to the Board, and a copy of such reasons shall be furnished to the person removed.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

Sec. 7-420. INTERFERENCE WITH OR FALSE GRADING OF APPLICANTS

No person shall, either by himself or in cooperation with any other person or persons, willfully or corruptly defeat, deceive or obstruct any person in relation to his right of test under the provisions of this part, or falsely mark, grade, estimate or report upon the test or standing of any person so tested hereunder, or aid in so doing, or furnish to any person any special or secret information for the purpose of either improving or injuring the rating of any person so tested, or to be tested, or the prospects of any such person for appointment, employment or promotion.

Sec. 7-421. POLITICAL ACTIVITIES OF CLASSIFIED MUNICIPAL EMPLOYEES

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 5-266a of the general statutes, as amended by public act 83-36, is repealed and the following is substituted in lieu thereof:

- (a) No person employed in the classified state service or in the judicial department may (1) use his official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office; (2) directly or indirectly coerce, attempt to coerce, command or advise a state or local officer or employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes.
- (b) A person employed in the classified state service or in the judicial department who leaves such service to accept a full-time elective municipal office shall be granted a personal leave of absence without pay from his state employment for not more than two consecutive terms of such office or for a period of four years, whichever is shorter. Upon reapplication for his original position at the expiration of such term or terms of office, such person shall be reinstated in his most recent state position or a similar position with equivalent pay or to a vacancy in any other position such person is qualified to fill. If no such positions are available, such person's name shall be placed on all reemployment lists for classes in which he has attained permanent status. Any person employed in the classified state or in the judicial department who accepts an elective state office shall resign from such employment upon taking such office. In either event, such person shall give notice in writing to his appointing authority that he is a candidate for a state elective office of a full-time elective municipal office within thirty days after nomination for that office.

Sec. 2. Section 7-421 of the general statutes is repealed and the following is substituted in lieu thereof:

- (a) No person employed in the classified Civil Service may (1) use his official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office; (2) directly or indirectly coerce, attempt to coerce, command or advise a state or local officer or employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes.

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

- (b) A person employed in said classified service retains the right to vote as he chooses and to express his opinions on political subjects and candidates and shall be free to participate actively in political management and campaigns. Such activity may include, but shall not be limited to, membership and holding of office in a political party, organization or club, campaigning for a candidate in a partisan election by making speeches, writing on behalf of the candidate or soliciting votes in support of or in opposition to a candidate and making contributions of time and money to political parties, committees or other agencies engaged in political action, except that no period of time during which such employee is expected to perform services for which he receives compensation from the municipality, and no such employee shall utilize municipal funds, supplies, vehicles or facilities to secure support for or oppose any candidate, party, or issue in a political partisan election. Notwithstanding the provisions of this subsection, any municipal employee may be a candidate for a municipal elective office in a political partisan election. No person seeking or holding municipal office in accordance with the provisions of this subsection shall engage in political activity or in the performance of the duties of such office while on municipal duty or within any period of time during which such person is expected to perform services for which such person receives compensation from the municipality.
- (c) Any municipal employee who leaves his municipal employment to accept a full-time elective municipal office shall be granted a personal leave of absence without pay from his municipal employment for not more than two consecutive terms of such office or for a period of four years, whichever is shorter. Upon reapplication for his original position at the expiration of such term or terms of office, such person shall be reinstated in his most recent municipal position or a similar position with equivalent pay or to a vacancy in any other position such person is qualified to fill. If no such positions are available, such person's name shall be placed on all reemployment lists for classes for which he is eligible. Such person shall give notice in writing to his municipal employer that he is a candidate for a full-time elective municipal office within thirty days after nomination for that office. (1984 Rev. P.A. 84-532)

TRUMBULL CIVIL SERVICE RULES
(Effective 1/1/85)

Sec. 7-422. PERSONNEL APPEALS BOARD

Any town, city or borough may, by ordinance, create a personnel appeals board which shall consist of five members who shall be electors of such municipality holding no salaried municipal office and whose term of office and method of election or appointment shall be fixed in the ordinance. Not more than three members shall be members of the same political party. The terms of office shall be arranged so that not more than one of such terms shall expire in any one year. Vacancies shall be filled for the unexpired portion of the term in the manner fixed in the ordinance. Three members shall constitute a quorum. Said board shall hear and determine any grievance, as defined in such ordinance, of any employee or group of employees of such town, city or borough. It shall adopt rules of procedure which shall insure any aggrieved employee a prompt and fair hearing and an opportunity to be heard in person or by a representative of his choosing. The decision of said board may be appealed to the superior court within ninety calendar days from the date such board renders its decision.

Sec. 7-423. TECHNICAL SERVICES BY STATE PERSONNEL DEPARTMENT

Any municipality or other political subdivision of the state may enter into an agreement with the Commissioner of Administrative Services to procure the technical services available in the Department of Administrative Services for the establishment or continuation of local administration of a merit system. Any such agreement shall provide for the reimbursement of the state for the actual cost of such service and overhead, as determined by the director.
