

## The Trumbull Senior Center Transportation

### ADA Service Requirements

The Americans with Disabilities Act of 1990 regulations (37 CFR Subpart G) identify specific services requirements applicable to public and private entities providing transportation service, including but not limited to the following:

**Maintenance and Accessible Features:** The Trumbull Senior Center must maintain in operative condition the features required to make facilities and vehicles accessible to individuals with disabilities. These features include lifts, ramps, securement devices, elevators, signage, and systems to facilitate communication. All accessibility features must be repaired promptly.

**Lift, Securement and Deployment Use:** The Trumbull Senior Center transportation service must have a securement system for wheelchairs. The Trumbull Senior Center drivers may require that wheelchair users permit their wheelchairs to be secured, but may not deny service on the grounds that a wheelchair cannot be secured. Drivers may not require a wheelchair user to transfer to another seat. Drivers must provide assistance upon request or as necessary with lifts, ramps, and securement systems. Drivers must permit individuals with disabilities who do not use wheelchairs to use vehicle's lift or ramp.

**Service Animals:** The Trumbull Senior Center must permit service animals to accompany individuals with disabilities in vehicles and facilities.

**Lift Deployments at Any Designated Stop:** The Trumbull Senior Center must not refuse to permit a passenger who uses a lift to disembark from a vehicle at any designated stop, unless the lift cannot be deployed, the lift will damage if it is deployed, or temporary conditions preclude the safe use of the stop by all passengers.

**Service to Persons Using Respirators or Portable Oxygen:** The Trumbull Senior Center may not deny service to individuals using respirators or portable oxygen.

**Adequate Time for Vehicle Boarding:** The Trumbull Senior Center must ensure adequate time for individuals with disabilities to board or disembark a vehicle.
